

SUPPORT OUR SCHOLARS THROUGH A PROGRAM SPONSORSHIP

Education is the key to success, which is why the George M. Pullman Educational Foundation has awarded \$33 million in college scholarships to over 14,000 students since 1950. The Foundation works to ensure Pullman Scholars graduate on time and with as little debt as possible.

In addition to essential financial aid, Pullman Scholars receive educational, personal, and professional resources to equip them with the tools necessary to succeed in and beyond college.

To support these efforts, the George M. Pullman Educational Foundation seeks individual and corporate sponsorships for its **Scholar Success Seminars** and the **Scholar Symposium and Alumni Networking Reception** at the \$2,500, \$5,000, and \$10,000 levels.

Program sponsorships enable the Pullman Educational Foundation to produce high-quality learning and networking experiences that prepare scholars with essential life skills and develop pathways to share their journeys with fellow scholars and alumni in fellowship and community.

Are you or your company interested in joining us by sponsoring year-round, college and career learning and growth opportunities for our Pullman Scholars?

Please contact Eric Delli Bovi, Executive Director, with questions or commitments at edellibovi@pullmanfoundation.org.

Thank you for your consideration and support.

Scholar Symposium and Alumni Networking Reception

May 18, 2023, University of Chicago Gleacher Center

The annual Pullman Scholar Symposium offers stimulating workshops, professional development, inspirational speakers, and networking opportunities designed to help Pullman Scholars thrive in college and beyond. The day's schedule includes workshops focused on business dining etiquette, networking tips, maximizing online presence, resume review, interview tips, financial literacy, and more. These workshops provide valuable career support and ensure scholars successfully transition to the workforce.

The post-Symposium Networking Reception with Pullman Scholars, Alumni, Scholar Selection Committee Members, Board of Directors, and Staff is a unique opportunity to come together in support and celebration, enabling the community to build connections, and for scholars to put their newly acquired networking skills into practice.
